Re: Creedon Controls, Inc. v. Banc One Building, et al.
C.A. No. 05-CV-300-JJF

Dear Judge Farnan:

I represent defendant Forest Electric Corporation in the above captioned matter. I am responding to plaintiff counsel's March 22, 2007 letter in which he requests a trial date at the Court's earliest convenience.

A mediation is scheduled before the Honorable Mary Pat Thyng on May 8, 2007. In addition, the Court stated at the pre-trial conference that the trial would be bifurcated with liability issues tried first and a damages trial 60 or 90 days following the verdict if necessary. Last, I am scheduled to be away from June 8 – 18, 2007 as I advised the Court and counsel at the pre-trial conference. In the event the trial is scheduled after that time I would request a brief period of time after I return before the trial commences.

Respectfully submitted,
